### **LI'L SOCCERS & KINDERKICKERS PRO:**

KINDERKICKERS & LI'L SOCCER PRO are clinics designed for players between the ages of 5 and 9 years old. During the training session, players will focus on the fundamentals of the game, dribbling, receiving, passing, and shooting. Each training session will consist of 35 to 40 minutes of technical work which will be followed by an inner-clinic scrimmage for the remaining time. Players will be encouraged to incorporate the topic of the day when scrimmaging.

The training session will be followed by an inner-clinic scrimmage on the weekend. The match on the weekend will be an additional opportunity for players to use the skills they learn in training in a match setting. Players will be divided into two teams which will allow coaches to work more individually with players.
